Triple Celebration for Health and Safety Consultants

Penarth, 23rd October 2010 – Penarth Management has three good reasons to celebrate this Friday. The Penarth-based company, which provides compliance consultancy and training for Quality, Environmental and Health and Safety related subjects is opening its doors to local business people for the afternoon in honour of European Health and Safety Week 2010.

The subject of Health and Safety can usually be relied upon to cause even the most contentious employee to stifle sighs of boredom. However, this event promises to be highly entertaining with special offers, prizes and plenty of pink champagne. The staff will be also be 'pretty in pink' as the event coincides with national Wear it Pink Day. Staff and visitors are encouraged to wear items of pink clothing in order to raise money for the UK's Breast Cancer Campaign, which aims to improve the lives of those affected by breast cancer. The company's Managing Director, Jodie Read said that she was "really looking forward to the event." "I hope that it will provide a fun way to think about health and safety, whilst also doing some good for a worthwhile charity."

The Champagne Celebration will mark the end of what has been a very successful year for Penarth Management. The event will be hosted from their new office in Avon House on Stanwell Road. The company recently relocated to larger premises in order to accommodate their ever-expanding business.

So, pop along on Friday 29th October between 2-6 pm and have fun experiencing Health and Safety in an entirely new way.

About Penarth Management

Penarth Management specialises in compliance consultancy and training for Quality, Environmental and Health and Safety management. Specifically, Penarth Management helps other businesses to implement and maintain management systems to recognised standards (e.g. ISO9001:2008, ISO14001:2004, OHSAS18001:2007) and deliver accredited training courses.
